Chairman of the World Food Prize Foundation, former US Under Secretary of State  
Kenneth Quinn. Data map

### Text / Li Li

After 32 years of State Department diplomatic career, Kenneth Quinn finally returned to his hometown of Iowa. In his own words, this time it was a politician dressed in a peasant coat. The name of the chairman of the World Food Prize Foundation is printed on the name card that Kenneth handed me.

I met him in Sanya City, Hainan Province, which has a sea breezes at 26 degrees Celsius. Obviously, people do not know the story of life hidden in Kenneth's grey hair. In the morning of the Financial International Forum, a beautiful Chinese girl born in 1986 and Kenneth took the initiative to talk. The former in wealth management in Hong Kong is estimated to want Kenneth to be her client. "I used to go to college in New York. The food issue is indeed very important," said a Chinese girl with a fluent American accent.

In front of me, Kenneth did not disguise the "special connection" between him and some people. He did have the capital to say so. It was in Vietnam in 1968. The fledgling Kenneth came to Sa Đéc, a small town 145 kilometers away from Saigon (now called Ho Chi Minh City). Together with him there was a young soldier named Kerry. Yes, that is today. The United States Secretary of State.

"I didn't have much of an intersection with him at that time. I might have eaten dinner and I know there weren't many Americans in that town," said the U.S. Secretary of State at the World Food Awards ceremony. The past in the mouth of Nice is like a wind in the South China Sea. It is warm and rich.

Unlike Kerry, who did not know each other, Kenneth valued his two handshakes with Xi and his father Xi. In 1979, Kenneth, who was accompanying the Governor of Iowa to visit China, met with Deng Xiaoping in Beijing. The following year, Xi

Zhongxun visited the United States for the only time in his life. Kenneth took the position of governor of Guangdong Province when he met at Des Moines Airport.

This is Kenneth's first trip to Hainan. The young reporter of the local TV station needs him to leave the country during the chat with him. The question is what is the advantage of Hainan's agricultural superiority. Complimenting the master can hardly fail the professional diplomat Kenneth. After smoothly acting as an "actor," Kenneth turned his head back and began to talk about his fate with Xi and his son 30 years ago.

The reform and opening up was about to take place in China in 1979. Kenneth, who had arrived in China with a US military aircraft, had a brief farewell to other members of the delegation in Beijing and began his personal journey to China. The first stop was Shanghai. Through the window of the Peace Hotel, Kenneth clearly saw the young couple on the outside. "At that time, there was a wall. Many couples secretly whispered, and they hushed a pair."

From Shanghai and Guangdong, which were not very lively at that time, Kenneth was faintly aware of the atmosphere of reform and opening up. In the hotel where he stayed, the cafe and the girl in the miniskirt were everything. What surprised him most was that at that time, there was also a department store in the modern sense in Guangzhou. "When I look back at these past events, I understand the significance of Xi Zhongxun's modernization in Guangdong and even in China as a whole."

I was interested in listening to Kenneth's experience of flying from Guilin to Guilin. He did not know who to buy the ticket. After arriving at the airport, a ground staff member helped and handed him a boarding pass. The neighbor on the plane was a female doctor who spoke in English and Kenneth in a low voice and complained that he was reluctant to be transferred to work in the suburbs by the organization personnel department. At the airport in Guilin, all the people in the plane were picked up by a bus, leaving Kenneth alone. "Where did you come from? Come up." In this way, Kenneth stumbled onto the bus and went to the state The inn and the limpid boat tour of the Lijiang River, a fairyland.

When Kenneth met Xi Zhongxun, who laid the foundation for reform and opening up in Guangdong, it was 1980. Before that, he ended his term of office in Vietnam and served as a special assistant to the National Security Council and Assistant Secretary of State for East Asia and Pacific Affairs, Holbrooke.

Xi Zhongxun headed a delegation of the Chinese Communist Party including Song Ping to investigate New York, Washington, Iowa, Colorado, California and Hawaii. Kenneth clearly remembers the way from the airport to the city. Xi Zhongxun, dressed in a tunic, said that Des Moines, the capital of Iowa, is a very clean place. "The word used for the translation was Clean. At the time, I was the first time I heard DeSme with cleanliness."

Twenty-two years later, on the 16th of February, Kenneth shook hands with Xi Jinping at the World Food Prize Foundation Building. Xi Jinping, the then vice president of China, was the son of Xi Zhongxun. Like Xi Zhongxun, Xi Jinping has a deep interest in agriculture. Kenneth still remembers what Xi Jinping said in the foundation building. According to the original report of the Chinese state media, "I once worked in a province in western China as a peasant for seven years, and as a village chief, and later in Hebei, Fujian, Zhejiang, and Shanghai, or in charge of agricultural work. Or lead the overall work and also focus on leading agricultural work, so there is a deep feeling for agriculture, rural areas and farmers."

Seeing the son of Xi Zhongxun, Kenneth naturally thinks of what he saw and heard in Guangdong in 1979. He holds Xi Jinping's hand and says that he is probably the only person here who has ever shaken hands with Xi and his son. In his opinion, both Xi and his father are enthusiastic about China's agricultural undertakings.

Kenneth was going to attend a dinner, but he did not end my intention to talk to him. Because he has not shared the story of his ambassador to Cambodia. I did not offend him, but my international journalist Brinkley's book "Cambodia: The Cursed Country" wrote that Kenneth was very "wise" chose to stand with Hun Sen and later discovered Hun Sen's Words and deeds are not consistent.

I gave this message to Kenneth intact and he immediately "defended" himself. Kenneth, who left office in 1999, did not want to talk about the thrilling time. In 1998, in the general election held in Cambodia, Hun Sen's People's Party became the largest party in Cambodia. Prior to that, due to his long-term discord with the son of Sihanouk Ranariddh, Hun Sen launched a coup d'état, Cui Kui's Rana. The fierce headquarters of the Fengbin Bak Branch, Ranariddh went into exile overseas.

Kenneth said that he did seek mediation with Hun Sen. The last word the two people met was, "I wish your own choice will bring you good luck." It was later proved that Hun Sen and the BNP team fully cooperated. The choice did bring him good luck. The 15-year-old boy who joined the Khmer Rouge is still the Prime Minister of Cambodia today.

Hun Sen managed to win the ticket. Kenneth had to leave Phnom Penh, where the fierce gun battle was on the streets. In the early hours of November 24, 1999, armed members who claimed to be "Cambodian Freedom Fighters" and "Khmer Rouge Movement" infiltrated into Phnom Penh. They launched an armed attack on the Ministry of Defense, the Council of Ministers Building, and the Airport Command headquarters when Kenneth and his At the ambassador's residence, Madame's wife, the artillery shattered the glass and the two men kneeled on the floor to protect the child. "I think it is death to die."

At that time, the U.S. embassy in Cambodia did not have any armed police protection. Kenneth's request to the State Department to strengthen the protection and relocate the site several times came to an end. In the end he gave a letter of petition to the then secretary of state, Albright, and said that he would refuse to implement instructions from the State Department. Later, the U.S. embassy in Cambodia was relocated, and Kenneth had already embarked on a new journey.

If Kenneth's first half of life is watchful as life goes through the war, being the World Food Prize Foundation allows him to save lives that are struggling with hunger. This award is the world's highest honor in the field of agriculture and was founded by Dr. Bolog, winner of the Nobel Peace Prize. The purpose is to reward those individuals who "have made outstanding contributions to the provision of nutritious and sufficient food for humanity". Yuan Longping, the "father of hybrid rice" in China, received this award ten years ago.

Kenneth's diplomatic career in Vietnam and Cambodia helped him re-understand the problems of agriculture in developing countries. I did not plan to discuss with him the profound agricultural issues. He just continued to repeat the road to rural areas how important it is for farmers. "Roads to rural areas can increase farmers' confidence, and single cropping can also turn into a variety of plantations. Crops, especially in the Sahara region of southern Africa, the Chinese should do more than one road to rural areas."

This is what Chinese people often say: "If you want to be rich, build your road first." The World Food Prize brought Kenneth more than the U.S. ambassador's ability. It was in the United States last year that he received a letter from Iran. "They invited me to Tehran. The United States and Iran have no diplomatic relations, let alone ambassadors who can go to Iran."

Kenneth with his wife successfully entered the country in Tehran and walked into the huge venue. His heart beat. Aside from the religious leaders, the following is a black pressured audience. Kenneth realizes that agriculture has no national borders, just as the Israel Prize winner of the World Food Prize was chosen by two Islamic judges.

Not long ago, I and he were enveloped in a violet sunset. He had to leave, and I agreed with him that Iowa will see him next year. At the southernmost tip of the Chinese mainland, he suddenly remembered the last moment of his diplomatic career at the turn of the last century.

"The State Council has called all the ambassadors to Asian countries to a meeting. Everyone will discuss together which country will become the most important force in this region in the future."

"Only me and a handful of people spoke about China." A smattering of kapok looms, what Kenneth left me with this sentence and his backsliding in the darkness.

Later, the U.S. embassy in Cambodia was relocated, and Kenneth had already embarked on a new journey.

如果说肯尼斯人生的上半部是眼睁睁的看着生命在战争中流逝，出任世界粮食奖基金会则让他得以拯救在饥饿中挣扎的生命。这个奖项是全球在农业领域方面的最高荣誉，由诺贝尔和平奖获得者博洛格博士创立。目的是奖励那些“为人类提供营养丰富、数量充足的粮食做出突出贡献的个人”。中国“杂交水稻之父”袁隆平十年前曾获此殊荣。

肯尼斯在越南和柬埔寨的外交生涯，帮他重新认识发展中国家的农业问题。我没打算和他探讨深奥的农业问题，他只是不断重复通向农村的道路对农民而言有多重要，“通向农村的公路能够让农民增加自信，单一的种植也可能变成种植多种作物，特别是在非洲南部撒哈拉地区，中国人应该多修一些通往农村的路。”

这就是中国人常说的“要想富，先修路”。世界粮食奖给肯尼斯所带来的，还有超过美国大使之外的能力。那是去年身在美国的他收到来自伊朗的一封信，“他们邀请我去德黑兰，美国 and 伊朗没有外交关系，更别提有大使能去伊朗。”

肯尼斯带着夫人顺利的在德黑兰入境，走进偌大的会场，他的心砰砰跳。一旁是宗教领袖，下面是黑压压的听众，肯尼斯这才意识到，农业无国界，就好像曾经世界粮食奖的以色列得主，是由两名伊斯兰评委推举的一样。

不多时，我和他就笼罩在紫罗兰色的晚霞中。他不得不离开了，我和他约定明年艾奥瓦再见，身处中国大陆最南端的他突然想起了上个世纪之交，他外交生涯的最后时光。

“国务院把所有驻亚洲国家的大使叫到一块开会，大家一起讨论哪个国家会成为未来这个区域最重要的力量。”

“只有我和极少数人说了中国”，一阵木棉花的暗香袭来，肯尼斯留给我的这句话，以及他消失在夜色中的背影。

世界粮食奖基金会主席、美国前副国务卿肯尼思·奎因。资料图

文 / 李理

32年的国务院外交生涯后，肯尼斯奎因终于回到了他的故乡艾奥瓦州。用他自己的话说，这次是做一名披着农民外衣的政客。肯尼斯递给我的名片上，只印着世界粮食奖基金会主席一个头衔。

我和他在拥有26摄氏度海风的海南省三亚市见面，显然人们并不知道肯尼斯那满头白发里藏着的人生故事。在财经国际论坛的上午茶歇中，一名1986年出生的中国漂亮女孩和肯尼斯主动攀谈，在香港从事财富管理的前者估计想让肯尼斯成为她的客户，“我以前在纽约上大学，粮食问题确实很重要，”一口流利美国口音的中国女孩带着夸张表情东拉西扯。

在我面前，肯尼斯毫不掩饰他和一些人的“特殊联系”，他也确实有资本这样讲。那是在1968年的越南，初出茅庐的肯尼斯来到距西贡（今称胡志明市）145公里的小镇Sa Đéc，当时和他一起的还有一名叫做克里的年轻军人，没错，就是今天的美国国务卿。

“我和他当时没有太多的交集，可能挨着吃过饭，要知道当年在那个小镇也没有太多的美国人，”在美国国务卿出席世界粮食奖颁奖典礼已成惯例的时候，肯尼斯口中的往事，就好像一阵南中国海袭来的风，温润又丰盛。

与克里的相见确不相识不同，肯尼斯更看重他和习仲勋和习近平父子的两次握手。1979年，陪同艾奥瓦州州长访华的肯尼斯在北京见到了邓小平，隔年习仲勋平生唯一一次访美，肯尼斯在得梅因机场见到时任广东省省长的习。

这是肯尼斯第一次到海南，当地电视台的年轻记者在我和他聊天的间隙需要他出境，问题是海南农业优势是什么云云，恭维主人几句难不倒职业外交官肯尼斯。顺利的充当“演员”后，肯尼斯回过头，开始讲述他30年前便和习氏父子结下的缘分。

改革开放在1979年的中国蠢蠢欲动，搭乘美国军机来华的肯尼斯在北京和代表团其他成员短暂告别，开始了他一个人的中国之旅。第一站是上海，透过和平饭店的窗，肯尼斯清楚的看到外滩上谈情说爱的年轻情侣。“当时那有一堵墙，很多情侣偷偷摸摸在那说悄悄话，一对挨着一对。”

从当时并不热闹的上海到广东，肯尼斯才隐隐感受到改革开放的气息。在他入住的饭店，咖啡馆和穿着迷你裙的女孩应有尽有，最让他感到惊奇的是，那时候广州还出现了现代

意义上的百货商店。“我再回头看这段往事的时候，才明白习仲勋之于广东乃至整个中国走向现代化的意义。”

我饶有兴趣的听肯尼斯讲从广州坐飞机去桂林的经历，他不知道找谁买票，到了机场后，一名地勤人员帮了忙，交钱后递给他一张登机牌。飞机上的邻座是一名女医生，低声用英语和肯尼斯交谈，抱怨自己不情愿被组织人事部门调去郊区工作。到了桂林机场，整个飞机的人都被一辆大巴车接走，只剩下肯尼斯一个人，“你是哪冒出来的？上来吧。”就这样，肯尼斯稀里糊涂的上车去了国营旅店，又稀里糊涂的乘船游览的仙境一般的漓江。

## 美国前东亚助理副国务卿：我和习氏父子的两次握手

2014-12-22 06:42:00 | 来源：大公网 | 我要分享

打印

等到肯尼斯见到奠定广东改革开放基石的习仲勋，已是1980年。在那之前，他结束了越南的任期，先后任职国家安全委员会以及负责东亚及太平洋事务的助理国务卿霍尔布鲁克特别助手。

习仲勋当年率领包括宋平在内的中共代表团考察纽约、华盛顿、艾奥瓦州、科罗拉多州、加州和夏威夷。肯尼斯清楚的记得从机场前往市区的路上，身穿中山装的习仲勋说艾奥瓦首府得梅因是一个很干净的地方。“翻译用的词是Clean,当时，我还是第一次听到用干净来形容得梅因。”

22年后的2月16日，肯尼斯在世界粮食奖基金会大楼里和习近平握手。时任中国国家副主席的习近平是习仲勋的儿子，和习仲勋一样，习近平也对农业深有爱好。肯尼斯还记得习近平在基金会大楼里说的话。中国官方媒体的报道原话是，“我曾经在中国西部的一个省当农民当了7年，并且做了一村之长，之后又在河北、福建、浙江、上海或专门分管过农业工作，或领导全面工作也重点领导过农业工作，所以对农业、农村、农民都有深厚的感情。”

见到习仲勋的儿子，肯尼斯自然会想起1979年在广东的所见所闻。他握着习近平的手说，他很可能是这里绝无仅有的和习氏父子都曾握手的人。在他看来，习氏父子都对中国的农业事业饱含热情。

肯尼斯本来要去参加一场晚宴，可他没有结束我和他对谈的打算。因为，他还没有分享担任驻柬埔寨大使的故事。我并没有冒犯他的意思，但是我的国际新闻同行布林克里著作《柬埔寨：被诅咒的国度》中写道，肯尼斯非常“明智”的选择了与洪森站在一起，之后发现洪森的言行并不一致。

我把这段话原封不动的送给了肯尼斯，他马上为自己“辩护”起来。1999年离任的肯尼斯对那惊心动魄的时光不愿多谈。1998年，在柬埔寨的举行的大选中，洪森的人民党成为柬埔寨第一大党，在那之前，由于他与西哈努克的儿子拉那烈长期不和，洪森发动政变崔奎的拉那烈的奉辛比克党总部，拉那烈流亡海外。

肯尼斯说，他确实去找洪森居间调停过，两个人见面的最后一句话是，“我祝你自己的选择能够给你带来好运。”事后证明，洪森与奉新比克党全面合作的选择确实给他带来的好运，这名15岁加入红色高棉的小男孩，今天仍是柬埔寨的首相。

## 美国前东亚助理副国务卿：我和习氏父子的两次握手

2014-12-22 06:42:00 | 来源：大公网 | 我要分享

打印

洪森稳操胜券，肯尼斯却不得不离开街头激烈枪战的金边。1999年11月24日的凌晨，自称“柬埔寨自由战士”和“自由高棉运动”的武装成员潜入金边，他们向国防部、部长会议大楼、机场司令部开展武装袭击，当时肯尼斯和他的夫人在大使官邸，炮火震碎玻璃，两个人趴在地上护着孩子，“我想的是要死就大人死。”

那时的美驻柬大使馆没有任何武装警察防护，肯尼斯几次给国务院写信加强保护、重新选址的请求都石沉大海。最终他给时任国务卿奥尔布赖特写请愿信，口气凌厉的说将拒绝执行来自国务院的指令。后来，美国驻柬大使馆易址重张，此时的肯尼斯也已经踏上了新的旅程。

如果说肯尼斯人生的上半部是眼睁睁的看着生命在战争中流逝，出任世界粮食奖基金会则让他得以拯救在饥饿中挣扎的生命。这个奖项是全球在农业领域方面的最高荣誉，由诺贝尔和平奖获得者博洛格博士创立。目的是奖励那些“为人类提供营养丰富、数量充足的粮食做出突出贡献的个人”。中国“杂交水稻之父”袁隆平十年前曾获此殊荣。

肯尼斯在越南和柬埔寨的外交生涯，帮他重新认识发展中国家的农业问题。我没打算和他探讨深奥的农业问题，他只是不断重复通向农村的道路对农民而言有多重要，“通向农村的公路能够让农民增加自信，单一的种植也可能变成种植多种作物，特别是在非洲南部撒哈拉地区，中国人应该多修一些通往农村的路。”

这就是中国人常说的“要想富，先修路”。世界粮食奖给肯尼斯所带来的，还有超过美国大使之外的能力。那是去年身在美国的他收到来自伊朗的一封信，“他们邀请我去德黑兰，美国和伊朗没有外交关系，更别提有大使能去伊朗。”

肯尼斯带着夫人顺利的在德黑兰入境，走进偌大的会场，他的心砰砰跳。一旁是宗教领袖，下面是黑压压的听众，肯尼斯这才意识到，农业无国界，就好像曾经世界粮食奖的以色列得主，是由两名伊斯兰评委推举的一样。

不多时，我和他就笼罩在紫罗兰色的晚霞中。他不得不离开了，我和他约定明年艾奥瓦再见，身处中国大陆最南端的他突然想起了上个世纪之交，他外交生涯的最后时光。

“国务院把所有驻亚洲国家的大使叫到一块开会，大家一起讨论哪个国家会成为未来这个区域最重要的力量。”

“只有我和极少数人说了中国”，一阵木棉花的暗香袭来，肯尼斯留给我的这句话，以及他消失在夜色中的背影。

## 美国前东亚助理副国务卿：我和习氏父子的两次握手

时间: 2014-12-21 19:05 | 来源: 大公网 | 查看: 472 | 评论: 0 发表评论

**摘要：**我和他在拥有26摄氏度海风的海南省三亚市见面，显然人们并不知道肯尼斯那满头白发里藏着的人生故事。改革开放在1979年的中国蠢蠢欲动，搭乘美国军机来华的肯尼斯在北京和代表团其他成员短暂告别，开始了他一个人的中国之旅。 ...

见到习仲勋的儿子，肯尼斯自然会想起1979年在广东的所见所闻。他握着习近平的手说，他很可能是这里绝无仅有的和习氏父子都曾握手的人。在他看来，习氏父子都对中国的农业事业饱含热情。

肯尼斯本来要去参加一场晚宴，可他没有结束我和他对谈的打算。因为，他还没有分享担任驻柬埔寨大使的故事。我并没有冒犯他的意思，但是我的国际新闻同行布林克里著作《柬埔寨：被诅咒的国度》中写道，肯尼斯非常“明智”的选择了与洪森站在一起，之后发现洪森的言行并不一致。

我把这段话原封不动的送给了肯尼斯，他马上为自己“辩护”起来。1999年离任的肯尼斯对那惊心动魄的时光不愿多谈。1998年，在柬埔寨的举行的大选中，洪森的人民党成为柬埔寨第一大党，在那之前，由于他与西哈努克的儿子拉那烈长期不和，洪森发动政变推翻的拉那烈的奉辛比克党总部，拉那烈流亡海外。

肯尼斯说，他确实去找洪森居间调停过，两个人见面的最后一句话是，“我祝你自己的选择能够给你带来好运。”事后证明，洪森与奉新比克党全面合作的选择确实给他带来的好运，这名15岁加入红色高棉的小男孩，今天仍是柬埔寨的首相。

洪森稳操胜券，肯尼斯却不得不离开街头激烈枪战的金边。1999年11月24日的凌晨，自称“柬埔寨自由战士”和“自由高棉运动”的武装成员潜入金边，他们向国防部、部长会议大楼、机场司令部开展武装袭击，当时肯尼斯和他的夫人在大使官邸，炮火震碎玻璃，两个人趴在地上护着孩子，“我想的是要死就大人死。”

那时的美驻柬大使馆没有任何武装警察防护，肯尼斯几次给国务院写信加强保护、重新选址的请求都石沉大海。最终他给时任国务卿奥尔布赖特写请愿信，口气凌厉的说将拒绝执行来自国务院的指令。后来，美国驻柬大使馆易址重张，此时的肯尼斯也已经踏上了新的旅程。
